NEW BUSINESS BROUGHT BEFORE THE BOARD

ALIVE AT 25 Program

The board continued the discussion started in closed session regarding the Alive at 25 program.

Focusing on its role as policy makers vs. setting regulations.

It will soon be a law that parents need to be educated on.

Is it the district's responsibility to enforce this law?

Should a students parking privilege be tied into enforcement of this law?

Dr. Ficarra suggested:

A presentation of the Alive at 25 program be given to the board.

This is an education process saving lives.

LAW DAY

Mrs. Bangiola reported on Law Day which was May 1, 2009
Morristown High School Orchestra and Vocal Ensemble performed.
Thane Rosoff gave a speech on Lincoln
“Legacy of Liberty”
This speech was presented to the justice of the Supreme Court

RELAY FOR LIFE

Ms. Pollak reminded the board that Relay for Life is June 5 and encouraged all to attend.

FACES

Ms. McNeil informed the board of the FACES program.
“Together we can make a difference”. This is an interactive slide show presentation
designed for students grade 3-5 to teach about individuality.
Perhaps a presentation could be given to the board and perhaps this would be incorporated
into the curriculum.
