Dear Grandpa,

You will never believe it! I made the majors team at 10 years old, and that's really rare. My team name is the Lattano's, but just recently our name changed. It's the Morristown Financial Group, but we call it Mfg (Mo-fee-see).

We had a scrimmage a couple of days ago, and we won by a mile. There is a kid on my team named Alex who can hit a home run when ever he wants. At the end of every game we write his name on the ball and then we write bye-bye on it and he hits it out of the park.

So far it is really fun and I can't wait for the real season to start. I hope you can make it to my games. They will be so much fun. Hope to see you there. Love,
