Dear mom and dad,  
I have made my choice of where we should move to. I think that we should move to a neighborhood outside a city. I think that the schools outside a city would be bigger and I could make more friends. Near the city there would be a lot more jobs to pick from and you would get a better pay working at a job near a city. If we move near a city there would be a lot of sports to play.

There are a lot of sports to play outside a city. There's soccer, football, hockey, baseball, track, and bicycling. On a farm there aren't many sports to play. Also there are clubs that I could join. If we move outside a city I would join a chess club and see if I could be a winner.

The schools outside of cities are a lot larger than the ones near farms. More kids go to schools near cities, which means I could make a lot of friends. There are a lot of teachers at these schools. I would go to school longer and get a better education. I would get a college degree.

There are many jobs to pick from. The jobs give a better pay than sellin

of food from a farm. You would not have to plant hundreds of seeds every day and water them. You would get up in the morning and get dressed and drive to work.

In conclusion I think we should move outside a city because the schools are better, the jobs are better, and the sp
