**NOTES:**

Morning Rehearsals begin again on January 8th.

If we have a snowday, all lessons stay on the LETTER DAY and more to the next day on the calendar.

**Practicing**

Students ALWAYS have lesson homework, and are required to practice regularly. Students who do not practice at home will fall behind in their lessons at school. This is very frustrating and usually leads to the student wanting to quit. Please help your child succeed as musician by scheduling regular time for practice. All students should be practicing 15-20 minutes a day, at least 5 days a week.

**NOTAS:** (Traducido usando el traductor de Google. Me disculpo por cualquier error.)

Los ensayos matutinos comienzan nuevamente el 8 de enero.

Si tenemos un día de nieve, todas las lecciones permanecen en el DÍA DE LA CARTA y más al día siguiente en el calendario.

**Practicando**

Los estudiantes SIEMPRE tienen la tarea de la lección, y se requiere que practiquen regularmente. Los estudiantes que no practican en casa se atrasarán en sus lecciones en la escuela. Esto es muy frustrante y generalmente lleva a que el estudiante quiera dejar de fumar. Por favor, ayude a su hijo a tener éxito como músico programando un horario regular para la práctica. Todos los estudiantes deben practicar 15-20 minutos al día, al menos 5 días a la semana.
