Today at approximately 9:30 am, the Woodland School Class III Officer reported an odor in the office hallway. He promptly called the fire department, and students and staff were evacuated until the building was determined to be safe. Students and staff returned to their classrooms at approximately 10 am, and the school day has proceeded as normal.

We applaud the students and staff for following directions and safe procedures calmly and quietly.

Thank you,

Apreciadas familias de Woodland-

Hoy a las 9:30 am, aproximadamente, el oficial policiaco de la escuela clase III reportó un olor inusual en el pasillo de la oficina. El departamento de bomberos fue notificado, los estudiantes y empleados evacuaron hasta que el edificio fue revisado y fue declarado seguro. Todos regresaron a clase a las 10:00 am y continuaron la rutina de dia.

Felicizamos a todos por seguir direcciones y procedimientos en calma y silencio.

Gracias,
