Creativity Re-Imagined

Bring your creativity and ingenuity! Each week, students work with different materials for a design or artistic challenge inspired by METC's historic collection and building. From making a building out of everyday objects to painting without a paintbrush, this program engages participants' hands and minds in a different way each week.

Pre-registration required. Register online at metc.org or contact our educators at 973-377-2982 ext. 12 or education@metc.org.

A non-profit museum in the heart of Downtown Madison!
