

# THE ADDAMS FAMILY

The award-winning Morristown High School Theatre program is proud to present **The Addams Family**- Andrew Lippa's timely tale that questions what it is to be "normal."

The students are excited to be performing a show with such lovable and familiar characters, in different situations than the audience has seen them previously. Arguably one of the most impressive aspects of the musical is the costuming and make up of the Addams Family and their kookie ancestors. Between the popular 1960's television show and syndication, and the 1991 film, audiences are very familiar with these characters, so they have to be perfect. The crew, consisting of over 75 students who participate on build crew, hair and makeup, costumes, sound crew, and lighting and tech, have been hard at work since the start of the process.
