Morris School District Community School Program Information – Summer 2019

...an amazing opportunity for students completing grade 7, 8, or 9 in June 2019

Six Week – Full Day Program

July 1 – August 9, 2019

Leadership for Tomorrow is limited to 20 students and is a part of the Summer Plus program. It is expected that the LFT students attend the full six week program. In order to participate, each student must be recommended by a teacher or guidance counselor based on leadership potential, maturity, and academic effort, as well as completing an application packet and essay. All students interested in applying for the LFT program should call Jennifer Adkins at 862-207-7664 or e-mail her at jennifer.adkins@msdk12.net with your name and address to receive an application package by mail. Once you have fully completed the package, please return it to the Community School office for consideration. Please note that if we receive more applications than the maximum number of LFTs to be accepted, we will select the group based on your essay, teacher recommendation and a possible interview. If you are a rising 7th grader, you have the option to register for Summer Plus instead of LFT if you are not selected.

Participants will have an opportunity to:
