This calendar provides for 185 student days and 189 staff days with five emergency days built in. If for any reason more days are used, any school holiday or recess remaining on the calendar may, at the discretion of the Board, be rescheduled as a school day or additional days may be scheduled at the end of the school year. This advice is offered to parents, students and all district employees in advance of any arrangements any individuals may elect to make at their own risk to schedule personal or family activities on holiday or recess days that may be converted to school days as required. Unused snow days will be deducted from the end of the school year. State testing schedules may necessitate changes to this calendar.
