Mark Manning, Principal

---

December 2015

Positive school climate is one of the cornerstones of success in the Morris School District. Each school in the district reinforces the provisions of the Anti-Bullying Bill of Rights Act (ABBOR) through proactive interventions; sound policies, and fair procedures. Beginning with the September 2011-12 school year, Morristown High School has been conscientiously implementing the requirements found in the Anti-Bullying Bill of Rights Act. A mandatory Self-Assessment regarding the Anti-Bullying Bill of Rights Act was completed at our school in August of 2015. This self-assessment is intended to support a cycle of reflection and improvement at both the school and district level. These results are posted on our school website. Morristown High School scored 76 out of a possible 78 points on the ABBOR Self-Assessment. The Morris School District, as a whole, scored 76 out of a possible 78 points.

While completing the self-assessment, we learned that our school has demonstrated strengths in these areas:

- \* Reporting and Investigation Procedures
- \* Ongoing HIB program and initiatives
- \* Training on the BOE-Approved HIB Policy

The self-assessment also helped our school to identify goals for improvement in the following areas:

- \* Providing training and PD for the School Safety Team members,
- \* Ensuring that each teaching staff member meets the required training expectations
- \* Improve Curriculum and Instruction on HIB and Related Information skills

The Morristown High School Safety Team and I will continue to work together to ensure that our school provides a safe and comfortable learning environment for your child. We truly value your partnership in our efforts related to a positive school climate. Once you have reviewed our self-assessment results, please feel free to contact me with any questions.

Sincerely,

Mark Manning  
Principal
